ABOUT US

TEK ENGINEERING LTD

ABOUT TEK ENGINEERING LTD

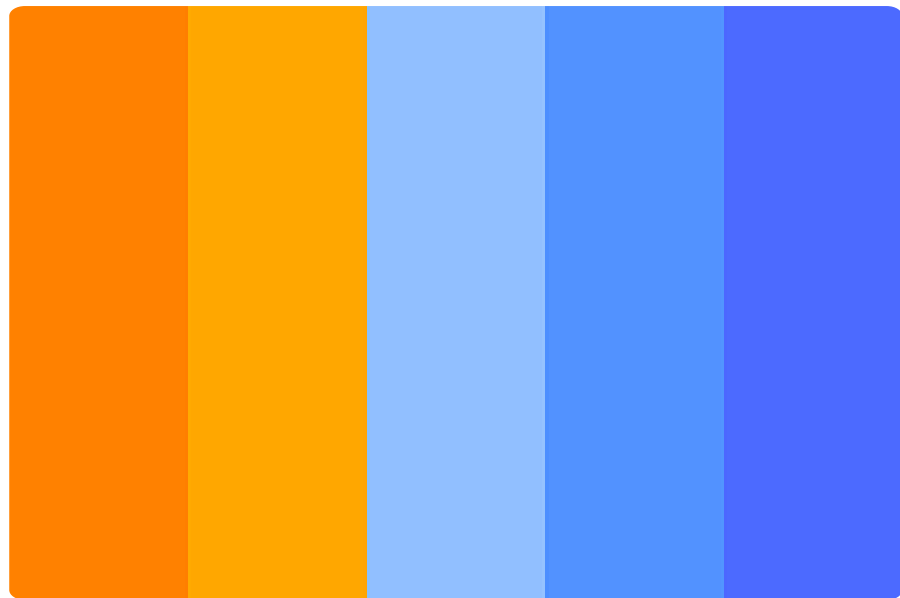

- OUR ORGANISATION
- TEK Engineering Limited, affectionately known as TEK, is an Electrical Engineering Services Company that was incorporated in February 1997. Since this time the company has evolved significantly, and the services provided have expanded and over the years including but not limited to construction and project management services. TEK has had the opportunity to successfully provide its services to many international clients operating within Trinidad and Tobago.
- OUR CORE PURPOSE
- We are committed to providing our clients with innovative, insightful solutions to electrical and related services by ensuring that we:
 - Maintain client satisfaction
 - Develop and retain highly skilled motivated and trained staff
 - Keep up with technological advancements
 - Add value to all that we do, through foresight, integrity and aggressive performance
- OUR ETHOS
 - Making a difference in everything we do
- OUR SAFETY ASSURANCE
 - TEK Engineering Ltd is committed to maintaining a safe and healthy environment for all employees and customers.
- OUR ENVIRONMENTAL IMPACT
 - TEK Engineering Ltd is committed to continuously improving our processes and services to reduce our environmental impact.
